The petition to revive under 37 CFR 1.137(b) filed 12 October 2000 in the above-captioned application is hereby **GRANTED** as follows:

Applicants' statement that the "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicants have now submitted the basic national fee of \$355 and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the national stage in the United States of America.

Applicants have also paid the required \$65.00 surcharge for supplying the oath or declaration later than twenty months from the priority date.

This application is being returned to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The 35 U.S.C. 371(c) date is **12 October 2000**.
